THE COUPLE'S RESPONSIBILITIES:

The Couple understands that they must obtain a Marriage License at the appropriate jurisdiction for which the ceremony will be performed and shall provide such Marriage License to OIP to review and execute on the day of the ceremony. OIP cannot and will not perform a marriage ceremony without receiving the appropriate valid Marriage License PRIOR to the ceremony.

The Couple shall not change the date, time or location of the wedding ceremony as listed in this agreement. The Couple also understands and recognizes that OIP performs other wedding ceremonies for other couples and such change of date, time, or location, without first notifying OIP, or any excessive lateness (over 15 minutes) of the originally scheduled wedding ceremony time may create a serious conflict with OIP's schedule that may prevent OIP from performing the ceremony. If the Couple does change the date, time or location of the scheduled wedding ceremony, and OIP is unavailable to perform the ceremony, then OIP reserves the right to cancel the performance of the ceremony, and shall in no way be held responsible or liable in any manner whatsoever for non-performance. The Couple also forfeits the deposit for non-compliance with this agreement.

The Couple agrees to pay a ceremony performance fee of \$2600 plus any mutually agreed upon additional services or unusual travel expense that OIP may incur. To reserve the above date, a retainer fee in the amount of \$200 shall be remitted with this agreement (made payable via PayPal) The remaining balance is to be paid to OIP.

1. Under NO circumstances will any other cameras be allowed to take pictures during the wedding. WHY: This is going to be your special day. I have taken gorgeous shots with the bride and groom walking down the aisle, etc. Unfortunately, when I developed the film, there were several guests who had cameras to their eyes, snapping shots. This looked horrible!!! The last thing you want is pictures with your guests snapping photos! I am sure you want to see their faces too! Please have someone ask your guests in advance to refrain from taking pictures. **IF ANYONE IS TAKING PICTURES WITH THEIR PERSONAL CAMERA THEY WILL BE ASKED TO STOP. IF THEY DO NOT STOP, WE WILL ASSUME YOU WANT THEM AS THE PHOTOGRAPHER, AND WE WILL STOP TAKING PICTURES AND PACK UP OUR CAMERAS.**

2. Once the ceremony is over, I will photo you and your family and wedding attendants. This will take approximately 30 minutes, as I take some really cool, intimate shots. Once again, I ask that there are no other cameras during this session. **WHY:** You've paid good money for me! When others stand behind me to take you picture, a. you don't know who to look at and smile and b. it takes away time from your photographer! Plus, you've opted for the digital files, so they can have as many pictures of the wedding as they would like. I'll even upload them to Walmart.com for you and send you the link via email. This way you can email them the link and they can access to them all as well!
3. When the wedding and photo sessions are over, your guests are more than welcome to take as many pictures as they'd like. They can even put you in the same poses as I did! Once the reception begins, they can take as many pictures with their own cameras as they wish.
4. Please keep in mind that you have paid for a wedding with 60 minutes of photography. If you should decide that you would like for the photographer to stay longer, there will be an additional \$50 per half hour, depending upon the photographer's availability.
5. The photographer will take pictures of the couple, the bridal party, parents and grandparents. Due to the light, we do not have time to take individual family pictures. We will take one big group picture as well. We will focus on the bride and groom for approximately 20 - 30 minutes after the ceremony.
6. Call 910.538.6589 two days prior to the wedding date. We just want to confirm weather conditions, locations, etc.
7. When your guests arrive, about 10 minutes prior to the start of your wedding, everything will be set up! The groom should arrive 15 minutes prior to the start of the wedding, and pay the director the remaining balance. It should be CASH the day of the wedding.
8. This package includes unlimited email consultations and five phone consultations.
9. Make sure you drink LOTS of water the night before and day of your wedding. You do not want to become dehydrated while standing in the sun! Also, drinking water the night before makes your skin look really refreshed and healthy, which will help your pictures!
10. **PAYMENT:** It should be cash the day of, or if you pay with check it needs to be no later than 10 days prior to your wedding date. If you wish to pay with your credit card, you must pay via PayPal 5 days prior to the wedding date. Please approach us with final payment. We really don't like to have to ask. Let this be the GROOM's responsibility! ☺
11. Normally, the groom will arrive 15 minutes prior to the wedding. The minister will introduce herself and give him brief instructions. Once the bride arrives, the minister and director will meet her in the parking lot and give her directions as well. You will be directed as to when to walk, where to stand, and what to say.
12. Your photos will be ready in 21 days. Your photographer should tell you when to expect them. Please keep in mind, that you will only like about 1 out of every 10 photos.
13. The baker will provide you with a box to take the remaining cake home with you.
14. We will pack up, clean up and take care of all the aftermath, you just go be with your family and friends and enjoy your day.
15. A \$200 nonrefundable deposit is due at time of booking. This is refundable due to extreme weather conditions. (Hurricanes)
16. Tipping is not required, but gladly accepted. We have received tips of \$40, and tips of \$300. We love to know that you are happy! ☺
